5. The license issued under rule 4 shall be strictly non-transferable and shall be valid only for the year for which it is granted.

Every order of removal shall be communicated to the other licensing authorities of the district.

Note.—Proceedings taken against clerks under this rule shall be deemed to be administrative and not judicial proceedings.

12. Where the order of removal or discharge is passed by a court subordinate to the District Judge, there shall be a right of appeal to the District Judge.

13. No application shall be made by a pleader or mukhtear for the grant of a license to a person whose name has been removed from the Register under the preceding rule, unless the said order of removal has been by a subsequent order of competent authority, withdrawn or modified.

The application for renewal shall be filed between the 15th December and 15th January to the Registrar through the Sub-Registrar together with the treasury challan or the money-order receipt showing the remittance of the renewal fee. The name of the deed-writer whose renewal is refused by the Registrar or who fails to apply for renewal as herein provided for, shall be struck off from the registers maintained by the Registrar as well as by the Sub-Registrar. A deed-writer who fails to apply for a renewal in time, may, however, apply for a fresh licence under rule 2.

2. The examination will be both theoretical and practical. The theoretical examination will be written as detailed below:—

There will be ten compulsory papers and one optional paper (English). Question papers for written examinations will be printed and supplied to the Centre Superintendents from this office. The District Inspectors of Schools will frame questions for the practical examinations.

All the practical examinations will be held at each Primary Training School, and Training Centre "in situ" by rotation commencing just after the Puja vacation of the institutions and terminating on or before the 13th December 1943, when the theoretical examination will begin. The dates of the practical examinations will be fixed by the District Inspector of Schools of the district. Practical examination in Physical Training will be conducted by the District Organiser of Physical Education in collaboration with the District Inspector of Schools himself or Subdivisional Inspector or Sub-Inspector of Schools who may be deputed by the District Inspector of Schools. The other practical examinations will be conducted by the District Inspector of Schools. The results of all the practical examinations shall form a part of the results of the Final Examination and shall not, therefore, be declared on the spot. The marks should be kept in the safe custody of the District Inspector of Schools concerned as soon as the Practical Examinations are over.

3. At least seven days before the examination, District Inspector of Schools will submit to this office a copy of the nominal roll giving the following information in respect of regular and candidates arranged separately. The Superintendents of the practical and theoretical examinations should also be supplied with a similar copy of the nominal roll in time by the District Inspector of Schools:—

(1) Serial No. (2) Name of candidate. Father's name. (4) Residence. (5) Name of the School or Training Centre where trained. (6) Period of training. (7) Age as recorded in the admission register on 1st November 1943. (8) The initial qualifications. (9) Percentage of attendance up to 1st November 1943. (10) Conduct. (11) Remarks, if any.

The Superintendent at each centre will correct any inaccuracy in the nominal roll on a reference to the candidate himself and forward the same to the District Inspector of Schools after the examination is over.

4. No candidate will be allowed to appear at the Final Examination unless his conduct and progress have been satisfactory and unless he has attended at least 80 per cent. of the total working days of the school or Training Centre. The authority to withhold permission to appear at the examination will rest with the District Inspector of Schools subject to a report to the Inspector of Schools.

5. Unsuccessful students of the Primary Training Schools and Centres will be permitted to sit for the examination as private candidates by the District Inspector of Schools of the district according to rules in force. They should apply to the District Inspector of Schools through the Head Master or Head Pandit of the Training School in which they last read.

6. Stitched books for writing answers, blotting papers, ink, packing cloth, sealing wax, etc., will be supplied by the District Inspectors of Schools out of their office contingent allotments (the expenditure being kept at as low a figure as possible). Candidates should bring their own pens.

7. The Superintendents will forward per registered post the answer papers of written examinations serially arranged, carefully packed and sealed to the paper-examiners, together with a mark roll [showing (1) Serial No., (2) Name of candidate, (3) Name of Training School or Training Centre, (4) The subject of examination and (5) Full marks] indicating the attendance of candidates in the column of remarks and bearing the signature of the Superintendent of the Centre. Explanation (*1*).—'A collection of stagnant or flowing water' which is or likely to become a breeding place for mosquitoes means and includes—

(*i*) any well, pool, ditch, tank, pond, pit, excavation, burrow-pit, hole or depression, or

(*b*) Where in the opinion of the Health Officer or any Municipal Officer authorised by him in this behalf a collection of stagnant or flowing water is or is likely to become a breeding place for mosquitoes he may, by written notice, require the owner or occupier of the land or building to which such collection of water pertains, to cleanse or to fill up the same with suitable material or to drain off or remove water therefrom or to treat the same in one or more of the methods specified below or to take such other order therewith as the Health Officer or the said Municipal Officer may deem necessary with a view to render such collection of water permanently unfit as a breeding place for mosquitoes:—

(*d*) Any person who fails to comply with any direction lawfully given to him or any requisition lawfully made upon him under this sub-rule shall be punished with fine which may extend to two hundred rupees and in the case of a continuing breach with fine which may extend to fifty rupees for every day during which the breach continues after conviction for the first breach."
